Hi- I am on the Oregon Statewide TMDL Policy Committee and went to the first meeting on 11/6 in Salem. I learned there that I can request an Alternate to attend future meetings when I cannot. I am interested in making such a request and am seeking your interest in serving in that role. Some information about the Committee is attached and you can call me to get additional information. The Committee is weighted with private forest and ag interests, so our consistent participation is important. Getting to the meetings will be difficult for me because of the distance and our lousy travel budget. The next meeting is January 30th. Let me know if you are interested in this assignment.

thanks
 Dave
